Special Offer – Natural Gas Range, Dryer or Barbecue Connection

Do you need to have your natural gas Range, Dryer or Barbecue connected? Southwest Gas recommends having a licensed contractor/dealer make the connection for you. The contractor/dealer will connect a natural gas range, dryer or barbecue to an existing gas line and disconnect the old appliance as indicated in the special offer listed below.

$60 to Connect <u>One</u> Appliance to an Existing Shut-off Valve
$85 to Connect <u>Two</u> Appliances to Existing Shut-off Valves

$70 Includes one Shut-off Valve and <u>One</u> Appliance Connection
$95 Includes two Shut-off Valves and <u>Two</u> Appliance Connections

This special offer may not be used in conjunction with any other offer or discount. The special offer fee does not include any additional parts, service or labor.

For a list of licensed contractors or dealers, please call our Energy Specialists at 1-800-654-2765 or click on this link http://www.swgas.com/EnergyReferral/index.jsp and select the area in which you live. Continue by selecting the city, appliance and service type shown in the example below. The offer will be displayed to the right of each contractor's name under "Discounts Offered".

Please select a City / Area: Please Select An Area:

Please select an Appliance / Equipment Dryer

Please select a type of service: Connect/Hook-up with shut-off valve
