## REBATE APPLICATION DETAILS

**Please review the rebate application for additional requirements and full terms and conditions.**

Rebates are available for purchases made during the offer period or until program funds are exhausted, whichever occurs first. Due to limited funding, please submit your application promptly after purchase and installation.

Equipment must be installed before submitting a rebate application. Rebate applications will be processed on a first come, first-served basis and must be postmarked or submitted online to be eligible for the rebate.

\*Program participation dates are subject to funding availability and may change without notice. Program and submission deadline dates will be updated on [swgas.com/rebates](https://swgas.com/rebates).

## ARIZONA RESIDENTIAL REBATE PROGRAM

Take advantage of our rebates to **save money, energy and the environment!**

Smarter Greener Better® Rebates

## CONSERVE ENERGY AND SAVE MORE!

### REDUCE YOUR USE AND SAVE

Use high-efficiency natural gas appliances in your home to save money and energy.

Energy-efficient appliances may cost more initially, but the long-term benefits really pay off.

Over the lifetime of the appliance, monthly savings will more than offset your initial investment. Replacing older equipment with energy-efficient models means more green for you and our planet.
