

Schedule No. GS-30/GN-30

STREET AND OUTDOOR LIGHTING GAS SERVICE

APPLICABILITY

Applicable to gas service for continuous street or outdoor lighting in lighting devices approved by the Company. Service under this schedule is conditional upon arrangements mutually satisfactory to the customer and the Company for connection of customer's lighting devices to Company's facilities. This schedule is closed to new applications for service.

TERRITORY

Throughout the Company's certificated gas service areas in its Southern and Northern California Divisions, except as may hereafter be provided.

RATES

Rate "X" - Lighting Only Service:

The charge per lamp per month is the product of the maximum rated capacity and the commodity rate as set forth in the currently-effective Statement of Rates of this California Gas Tariff and is incorporated herein by reference.

Rate "Y" - Lighting in Combination with Other Usage:

Gas consumed by unmetered lighting devices installed upstream of the combination customer's meter will be computed at the maximum rated capacity of each lamp and added to the customer's metered consumption. The total volume shall be billed under the rate schedule applicable for such other usage.

Minimum Charge:

For customers taking service under the "X" rate, the minimum charge per lamp per month is the charge for one lamp of the maximum size installed.

SPECIAL CONDITIONS

Service under this schedule is subject to discontinuance without notice in case of an actual or threatened shortage of natural gas, whether due to insufficient supply or to inadequate transmission or delivery capacity of the facilities of either the Utility or its wholesale supplier. The Company will not be liable for damages occasioned by interruption or discontinuance of service supplied under this schedule. Such interruption or discontinuance of service will be made in accordance with Rule No. 21.
