

Schedule Nos. GS-66/GN-66

SMALL ELECTRIC POWER GENERATION GAS SERVICE

APPLICABILITY

Applicable to gas service to electric generation customers that use an average less than 20,800 therms per month on an annual basis. This schedule is available for only the electric generation portion of the customer-s gas.

TERRITORY

Throughout the Company-s certificated gas service areas in its Southern and Northern California Divisions, except as may hereafter be provided.

RATES

The commodity charges and basic service charge are set forth in the currently-effective Statement of Rates of this California Gas Tariff and are incorporated herein by reference.

The number of therms billed shall be determined in accordance with the provisions of Rule No. 2C.

Minimum Charge:

The minimum charge per meter per month is the basic service charge.

SPECIAL CONDITIONS

1. Gas service under this schedule may require a signed contract for a minimum of one year as the precedent to service under this schedule, and said contract shall continue in force and effect from year to year thereafter until either the Company or the customer shall give the other written notice of a desire to terminate the same at least thirty (30) days prior to the expiration of any such year. If the customer permanently ceases operation, such contract shall not thereafter continue in force.
2. Service under this schedule is subject to discontinuance without notice in case of an actual or threatened shortage of natural gas, whether due to insufficient supply or to inadequate transmission or delivery capacity of the facilities of either the Company or its wholesale supplier. The Company will not be liable for damages occasioned by interruption or discontinuance of service supplied under this schedule. Such interruption or discontinuance of service will be made in accordance with Rule No. 21.
