

Construction Alert:

ROAD WORK FOR GAS PIPE REPLACEMENT

Southwest Gas Pipe Replacement April – June 2017

Southwest Gas is replacing underground gas pipes along Big Bear Boulevard in Big Bear. This routine replacement project will help ensure the continued capacity, safety and reliability of natural gas to the Big Bear area for years to come.

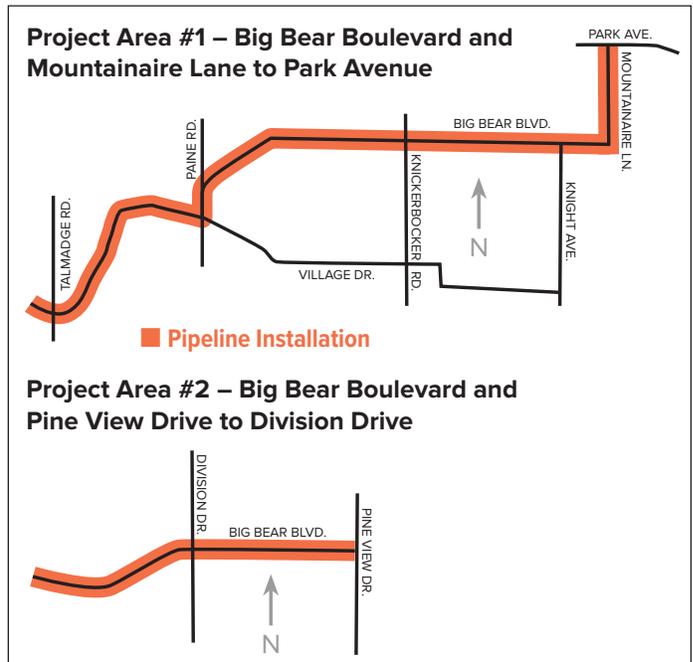

There are two project areas along Big Bear Boulevard:

Project Area 1

- From Talmadge Road to Mountaineire Lane, and continuing on Mountaineire to Park Avenue

Project Area 2

- From Pine View Drive to Division Drive
- Division Dr. to the senior citizens center

Project Details

- Project work begins April 10 and is expected to be completed by June 29, 2017.
- Road work will occur M-Th, 8:30am-4pm and F, 8:30am-1pm. Night work will be allowed from 9pm to 5am, when approved by Caltrans. No road work on Saturdays and Sundays, however lanes may be affected.
- There will be lane closures, but roadways will remain open to traffic with lane restrictions. No detours are required at this time, except for big rig trucks.
- No road work will occur during the AMGEN bike tour on May 19 and Memorial Day weekend, May 26-30.
- Schedules may change beginning May 22; at that time 24-hour construction will occur on some roads.
- Caltrans plans to resurface project area roads following project completion.
