

SOUTHWEST GAS

CUSTOMER NOTICE

Important Information About the Charges for Your Gas Service

On May 2, 2016, Southwest Gas Corporation ("SWG") filed an application with the Arizona Corporation Commission ("ACC") requesting an operating revenue increase of approximately \$31.9 million (Docket No. G-01551A-16-0107). After careful consideration of SWG's filing and the positions of the other participants in the case, the ACC authorized an increase of \$16 million, effective April 1, 2017, per Decision No. 76069.

As reflected in the decision, the residential basic service charge remains \$10.70 per month; a residential customer with an average monthly usage of 26 therms would experience an increase of 1.09%, or \$0.40 per month.
