

Construction Alert:

Dean Martin Dr. between Cactus Ave. and Starr Ave.

A contractor for Southwest Gas has begun installing a natural gas pipeline on Dean Martin Drive between Cactus Avenue and Starr Avenue, with expected completion in November 2017. Existing Southwest Gas customers should not experience an interruption in gas service during this work, unless notified.

You may be affected by the following:

- Work will begin at the north end of Dean Martin Dr. and move in a southern direction toward Starr Ave.
- Work will take place primarily during daytime hours, Monday through Saturday; however, work hours may change to minimize impacts to nearby businesses, homes or traffic.
- Dean Martin Drive between Cactus Avenue and Starr Avenue will be closed for approximately a month and a half. A detour route has been made available on Polaris Street, west of Dean Martin Drive. Traffic control will stay in place during non-work hours to protect the work zone.
- Access to businesses, schools and residences will be maintained.

Southwest Gas is committed to providing its customers with safe and reliable natural gas. For additional info, **contact our project hotline at 702-826-2413.**

Thank you for your patience during this work.
