

Construction Alert:

Sam Hughes Historic District

Starting August 2017

A contractor for Southwest Gas is beginning pipeline improvement work in the Sam Hughes National Historic District. The work will be completed in sections and include the replacement of individual service connections. Crews may be on or near your property and will communicate with residents as needed.

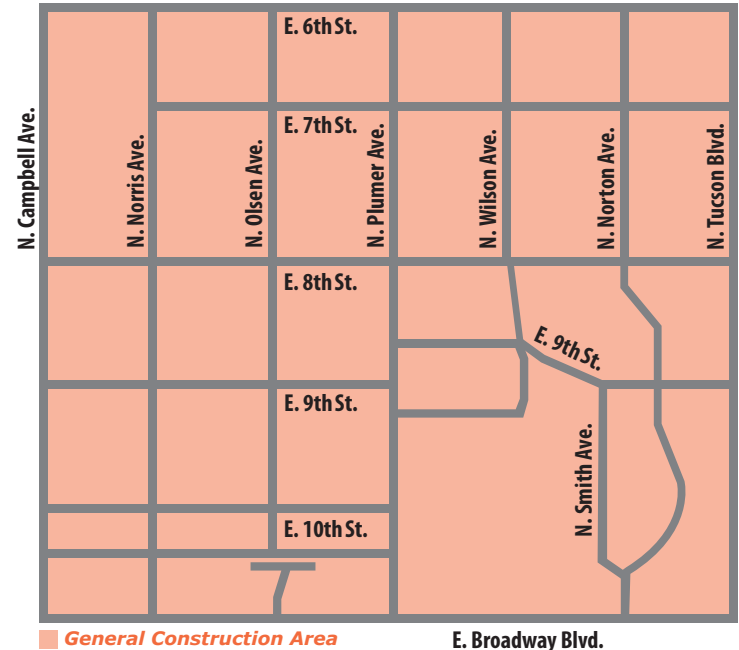

Work is expected to take place between 6:30 a.m. and 3 p.m., Monday through Friday, however extended hours may be necessary as the project moves forward. The entire project is expected to last six months. No interruption in natural gas service is anticipated. Vehicular access to residences will be maintained. For your safety, please avoid construction areas.

While this work takes place, you may be affected by project restrictions, including:

- **One-way traffic**
- **Temporary street parking restrictions**

Map not to scale

If you have any questions or concerns, please call the project hotline at **844-258-7481**.

Thank you for your patience during this construction.
