

# Construction Alert:

## Prince Road

Southwest Gas has contracted with Team Fishel to upgrade our gas main in Prince Road, from Flowing Wells Road to and including Runway Drive, with expected completion in May 2018.

You may be affected by the following:

- Pipeline installation will take place along the installation route, followed by abandonment of the existing pipeline.
- Roads will remain open for travel with lane and possible left turn restrictions near the work zone.
- Work will take place during daytime hours; however, traffic control will stay in place even during non-work hours to protect the work zone.
- Work at Flowing Wells High School will take place during the school's Spring Break.
- Work hours may change to minimize impacts to businesses, residents or travelers.
- Business and resident access will be maintained.

Southwest Gas is committed to providing its customers with safe and reliable natural gas. For additional info, **contact our project hotline at 520.547.5383.**

**Thank you for your patience during this work.**
