

Construction Alert:

27th Avenue

Southwest Gas will soon begin work for Phase 3 of a multi-phase project to upgrade our gas main in 27th Avenue, from Encanto to Northern Avenue. Phase 1 is in progress and Phase 3 includes work from Camelback to Maryland, with expected completion for this phase in November 2018.

You may be affected by the following:

- Pipeline installation will take place along the installation route, followed by abandonment of the existing pipeline in 27th Avenue.
- Roads will remain open for travel with lane and left turn restrictions near the work zone.
- Work will take place during daytime hours; however, traffic control will stay in place even during non-work hours to protect the work zone.
- Work hours may change to minimize impacts to businesses, residents or travelers.
- Business and resident access will be maintained.

Southwest Gas is committed to providing its customers with safe and reliable natural gas. For additional info, **contact our project hotline at 602.532.6100.**
