

Construction Alert:

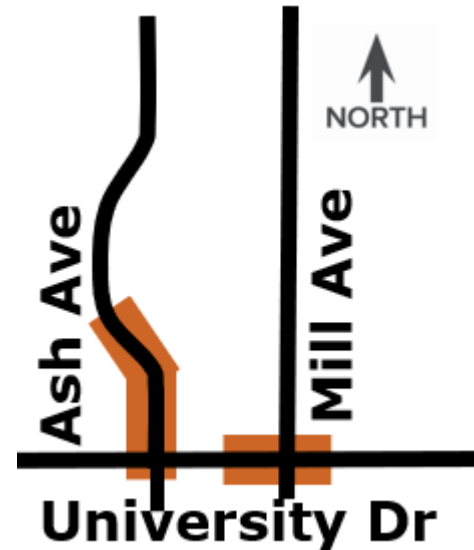

University at Ash & Mill

Southwest Gas will begin work relocating our natural gas infrastructure to accommodate Tempe Streetcar construction.

Relocations will take place in several locations over the next several weeks with work **beginning the week of September 10 in Ash Avenue at University Drive, followed by work at Mill and University.**

You may be affected by the following:

- Pipeline relocation will take place along the installation route.
- Roads will remain open for travel with lane and possible turn restrictions near the work zone.
- Work will take place during daytime hours; however, traffic control may stay in place even during non-work hours to protect the work zone.
- Work hours may change to minimize impacts to businesses, residents or travelers.
- Business and resident access will be maintained.

Southwest Gas is committed to providing its customers with safe and reliable natural gas. For additional info, **contact our project hotline at 602.532.6100.**

Thank you for your patience during this
