Southwest Gas is working to upgrade infrastructure in your area. Work will occur Monday through Friday, 7 a.m. – 4 p.m.

- No interruption in natural gas service is anticipated.
- Through traffic will be maintained.
- Weekend work may be required.
- Southwest Gas will need access to homes with natural gas service to upgrade service lines. Advance notification will be provided before they enter your property. The affected area will be restored to original condition.
- Pro-pipe, a sewer locating company, will be inspecting existing utilities.
- To ensure pet and worker safety, please keep pets indoors, confined or on a leash in yards when crews are working in your backyard.
- Please drive safely through the construction zone, and thank you for your patience and cooperation!
- Please call the Construction Hotline if you have any questions or concerns.

Southwest Gas is committed to providing its customers with safe and reliable natural gas. Periodic infrastructure replacement is a key part of this commitment.

For additional information, call the Construction Hotline at 602-235-2896.

Construction schedules are subject to change for a variety of reasons, including weather and personnel/material availability. Southwest Gas and its contractors recognize the inconvenience of construction and we thank you for your patience and support!
