

# Construction Alert:

## Wickenburg: Vista Drive & Saguaro Drive

Southwest Gas will soon begin work to upgrade our natural gas main in Aircleta Drive/Vista Drive, east of Vulture Mine Road and in Saguaro Drive, from Vista Drive to Wickenburg Way, with expected completion in November 2020.

You may be affected by the following:

- Roads to remain open for travel; however, if needed a flagger operation may be used to assist in directing traffic through the work area. Signage may be in place to restrict parking near the work zone.
- Work will take place during daytime hours, Monday through Saturday; however, traffic control will stay in place even during non-work hours to protect the work zone.
- Access to businesses and residences will be maintained.

Southwest Gas is committed to providing its customers with safe and reliable natural gas. For additional information, contact our project hotline at **602.532.6100**.

**Thank you for your patience during construction.**
