During this season of gratitude and togetherness, all of us at Southwest Gas want to thank you for allowing us to fuel the moments that matter most - from warm family gatherings to the comforts of home.

It's a privilege to provide safe, reliable energy service to the homes and businesses that bring our communities to life. Your neighborhoods are our neighborhoods, and we're proud to serve you every day.

**Happy Holidays from all of us at Southwest Gas.**

## HOLIDAY COOKING STARTS WITH SAFETY YOU CAN SMELL, HEAR AND SEE

This holiday season, Southwest Gas is here to help keep your kitchen cozy and safe. Natural gas offers reliable performance for all your favorite recipes, from slow-roasted meals to quick stovetop dishes.

While cooking, remember that safety starts with awareness. If you smell a sulfur-like odor, hear a hissing sound near a gas appliance, or see a loose or damaged gas line behind your appliance, it could be a natural gas leak. **Leave the area immediately** and call **911**, and Southwest Gas at **877-860-6020**.

For more cooking safety tips and to learn how to recognize and respond to a gas leak, visit [swgas.com/safety](https://swgas.com/safety).

## SCAMMERS DON'T TAKE HOLIDAYS—STAY ALERT

During the busy holiday season, scammers may try to catch you off guard by posing as utility workers through calls, emails, or even in person. If something doesn't feel right:

- End the interaction immediately
- Never share personal or financial information
- Call Southwest Gas at **877-860-6020** to verify any contact

Protect yourself and learn more at [swgas.com](https://swgas.com).

## WRAP UP THE YEAR WITH WORRY-FREE PAYMENTS

Give yourself the gift of convenience this holiday season! Enroll in Southwest Gas's Automatic Payment Plan and enjoy peace of mind knowing your bill will be paid on time—automatically. It's secure, easy, and free, so you can focus on what matters most this season.
