

JUNE 2026

NEWS TO USE

WHY WE MAY NEED ACCESS TO YOUR PROPERTY

To keep your natural gas service safe and reliable, Southwest Gas employees or authorized contractors may need access to your property, even without an appointment.

Why?

- To read, maintain, or replace meters; locate lines; perform leak surveys; and complete system work
- Some visits are required for safety and may occur without notice
- Early access can help prevent service issues or emergencies

How to recognize and verify us

Employees and contractors carry official ID badges and drive clearly marked Southwest Gas or contractor vehicles. If you're unsure, ask to see ID, check the vehicle or uniform or visit swgas.com/verify for more information.

SMALL CHANGES, SUMMER ENERGY SAVINGS

As temperatures warm up this summer, a few simple weatherization steps can help reduce energy use and manage natural gas costs.

- Use outdoor grilling instead of your oven to keep your home cooler
- Lower your water heater to 120°F to save energy year-round
- Wash clothes in cold water and run full loads to reduce hot water use

Find more seasonal energy-saving tips visit swgas.com/energy-saving-tips.

RECOGNIZE AND RESPOND

Signs of a natural gas leak may include:

SMELL

A distinct sulfur-like odor, similar to rotten eggs, even if it's faint or momentary.

HEAR

A hissing or roaring coming from the ground, above-ground pipeline, or a natural gas appliance.

SEE

Dirt or water blowing into the air, unexplained dead or dying plants or grass, or standing water continuously bubbling.

If you suspect a natural gas leak, leave the area immediately, and call **911** and **Southwest Gas** at **877-860-6020**.

EASY CONNECTIONS. BIG SAVINGS. RIGHT NOW!

Installing a new natural gas range, dryer, or barbecue? Let a trusted contractor handle the connection safely and affordably through the Southwest Gas Contractor Referral Program.

Special discount rates:

\$65 – Connection to an existing shut-off valve

\$75 – Includes a new shut-off valve and connection

Find a participating contractor at swgas.com or call **844-693-3568** to learn more.
