

Craving Some Savings?

NEWS TO USE

April 2014

Satisfy your appetite and your wallet by preparing your favorite meals with a natural gas range, cooktop, or oven. Cooking with natural gas appliances costs half as much as cooking with electric ones, making it the perfect answer for the savings you crave.

With natural gas in your kitchen, you can feast on even heat, precise temperature control, and instant on/off capability. Learn more about natural gas ranges, cooktops, and ovens at www.swgasliving.com or call 1-800-654-2765.

If you're already a natural gas chef, remember to:

- Select pots and pans that fit your burners
- Cover pots when cooking
- Pre-heat oven only when necessary

Be a good neighbor. Call 811 before you dig.

Forty percent of homeowners plan to dig as part of an outdoor home improvement project. Less than half will call first to get underground utility-owned lines marked, putting everyone's safety at stake.

Calling 811 two working days before digging helps prevent:

- Injuries
- Property damage
- Inconvenient outages

Check out our website at www.swgas.com/safety to learn more about living and working safely around natural gas.

National Volunteer Week

April 6-12, 2014

Join us in celebrating National Volunteer Week by taking the step to help others build a better and greener future for our communities. We're proud of our employee volunteers who feed the hungry, help build energy-efficient homes for senior citizens, and renovate parks and playgrounds for our children.

Because volunteering is an integral part of the Southwest Gas business philosophy, we'd like to take this opportunity to salute all of our employee volunteers who continually take an active role in shaping the best possible future for our communities.

Stay Informed with a text message

In the rare instance that your natural gas service is interrupted, Southwest Gas can send you a text message to keep you informed. Opt in at www.swgas.com through **MyAccount** or call Customer Assistance at 1-877-860-6020.

Our text message service is free. Message and data rates may apply.

Southwest Gas Service Alert. There is currently a natural gas interruption in your area.

Celebrate Earth Day! April 22

For more than 40 years, Earth Day has inspired awareness of, and appreciation for, the environment. With this year's global theme, "**Green Cities,**" take a moment to discover exciting ways to go green, save energy, and reduce environmental footprints where you live. Check out www.swgasliving.com for ways to preserve our local beauty and be the face of change!
